

Ah, ke'rmoza mansevika

Ah, ke'rmoza mansevika
ke tu t'estas aziendo

asta ke tu te vas azer

yo me vo dezaziendo

Oh, what a beautiful girl

Oh, what a beautiful girl
since you're still being "done",
(growing up to be a woman)

Till you'll be "done" -
(become a woman)

I'll become "undone"
(old, disable etc.)

It's a pun based on the verb Azer (aziendo, dezasiendo) - Hacer in modern spanish - means do, done etc. and therefore quite difficult to translate.
