

Yo m`enamori d`un aire

Yo m`enamori d`un aire
d`un aire d`una mujer
d`una mujer muy ermoza
linda de mi korason

Yo m`enamori de noche
el lunar ya m`enganyo
si esto era de dia
yo no atava amor

Si otra vez yo m`enamoro
sea de dia kon sol

I fell in love with a breeze

I fell in love with a breeze
a breeze of a woman
a woman so pretty
dearer to me than my heart.

I fell in love during night
the moon deceived me
if it were day
I would not have found love.

If I fall in love ever again
I'll do it in daylight.
